NOVEMBER 14-15 | GRAND HYATT TAMPA BAY | FAVSummit.com

EXHIBITOR, DEMONSTRATOR, SPONSOR
PROSPECTUS

2017 FLORIDA AUTOMATED VEHICLES SUMMIT

The Florida Department of Transportation, the Tampa Hillsborough Expressway Authority, and the USF Center for Urban Transportation Research invite you to participate in the 2017 Florida Automated Vehicles (FAV) Summit on November 14 and 15, 2017.

Florida's leaders have been at the forefront of recognizing the profound impacts of automated vehicle technologies on the existing transportation network and its supporting infrastructure. Political and governmental support facilitates Florida as a proving ground for these emerging mobility solutions.

Nationally-recognized experts are being called upon to discuss the state of the industry, early implementation opportunities, and challenges to be addressed to successfully integrate automated vehicles within the existing transportation network and to proactively engage the industry and stakeholders in understanding the impacts that these technologies will have in real-world conditions.

This year's FAV Summit will focus on four areas of mobility: Automated, Connected, Electric, and Shared vehicles.

The FAV Summit is hosted by the Florida Department of Transportation, the Tampa Hillsborough Expressway Authority, and the Center for Urban Transportation at the University of South Florida.

Florida Statutes welcome mobility technologies. Political and governmental support facilitate Florida as a proving ground for these emerging mobility solutions. Sessions and demonstrations at the Summit will further stakeholder knowledge, partnership opportunities, and technical advancement by proactively engaging the industry and stakeholders to understand the impacts that these technologies will have in real-world conditions.

Recent Legislative Changes to Florida Statutes

- 316.85 Autonomous vehicles; operation.
- 316.86 Exemption from liability for manufacturer when third party converts vehicle.

DEMONSTRATIONS

With this year's focus on Automated, Connected, Electric, and Shared technologies, the opportunity for vendors to demonstrate their latest developments on public streets has been greatly expanded! This is a unique opportunity to get in front of a targeted audience to demonstrate how advanced emerging technologies for innovative transportation can be incorporated into existing planning and operations.

Demonstration space is available on the hotel grounds. Vehicle demonstrations will be held on surrounding streets.

No fee is associated with demonstrating, but securing a demonstration space is required.

For more information and to secure a demonstration space, please contact:

Registered 2017 FAV Summit attendees are invited to submit up to two posters detailing a project or research related to automated, connected, electric, or shared vehicles and industries.

Posters facilitate informal discussions between presenters and their audience and provide an intimate forum for exchange of information and ideas. Well-constructed posters will be self-explanatory and answer stated questions, allowing the presenter to supplement and discuss particular points of interest. Posters will be judged while on exhibit at the 2017 FAV Summit, and top-rated posters will be given awards. Successful poster presenters are those who achieve coverage and clarity on topics relevant to the 2017 FAV Summit.

Requirements

- Poster dimensions must be 40" x 30" and in landscape orientation.
- Posters must be printed on semi-gloss paper and mounted so they can be placed on an easel. Easels will be provided.
- Company or project information and contact information must be included on the poster.
- Bring your poster to the Summit for setup by 8:00 am Tuesday, November 14.
- Be prepared to present and answer questions concerning your poster on Tuesday, November 14, from 5:30–7:00 pm during the Summit poster session. You must be present for poster judges.
- Up to two (2) submissions are allowed per individual company or affiliation.

Judging Criteria

- Coverage and clarity
- Applicability to 2017 FAV Summit topics
- Overall design
